

Home Broadband

A flexible broadband service where you only pay for what you use. Ideal for home users who want super fast speeds without the unexpected bills.

why home broadband?

VALUE- Broadband from only £14.99 per month.
SPEED- Downloads of up to 8Mbps
RELIABILITY- Enjoy maximum speed all day, everyday
FLEXIBILITY- Choose from one month or 12 months contract
FREEDOM- Pay-as-you-go for additional usage allowance
CONTROL- Set your usage budget to avoid unexpected bills
SUPPORT- Friendly UK-based support team
FREE- Set up and broadband modem/wireless router†

picking the perfect package

One of our four simple options will suit your Internet needs.

The actual speed you receive is subject to line quality and distance from your exchange. If your line won't support 8Mbps, you'll receive the best speed available which offers a stable service.

	Ideal for	Monthly usage allowance	Download speed up to	Hardware	Price
Option 1	Beginners and occasional users for basic email and web surfing	2GB	8Mbps*	FREE modem††	£14.99
Option 2	More advanced users who download occasionally	10GB	8Mbps*	FREE modem††	£18.99
Option 3	Families who download regularly	20GB	8Mbps*	FREE modem††	£24.99
Option 4	Expert users and larger families connecting multiple PCs for frequent large downloads	40GB	8Mbps*	FREE wireless††	£29.99

even more for your money

Bigger and better benefits make Home Broadband stand out from the rest.

email and web

Up to 20 email addresses and 50MB of web space mean an email address for everyone in your home and space for your own website. Online gamers can use up to 8 static IP addresses FREE of charge, and our enhanced webmail facility allows you to read your emails from any computer in the world.

security features

Protection from potentially disastrous email viruses and unwanted junk emails with our easy-to-use built anti-virus and spam protection.

free phone calls

Enjoy unlimited UK landline calls with TalkMore for only £5.99 per month.

* or fastest speed available

† on selected packages

†† subject to 12 month contract

All prices include VAT.

A set up fee of £40 excluding VAT is payable for new connections (1 month contract), or this fee is waived if the free setup and hardware option (12 month contract) is chosen. A cancellation fee is payable in the event of termination of service within contract period (see terms and conditions for further information). Payment of services is by Direct Debit, Visa, MasterCard or Invoice.
